

MListr

1. Go to <http://www.mlistr.com/register.htm> and register for an account. Follow the prompts (Figure 1)

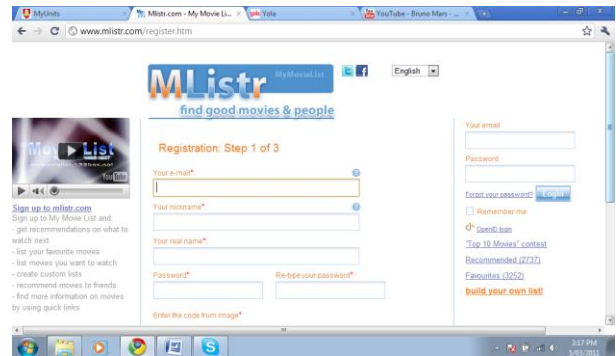

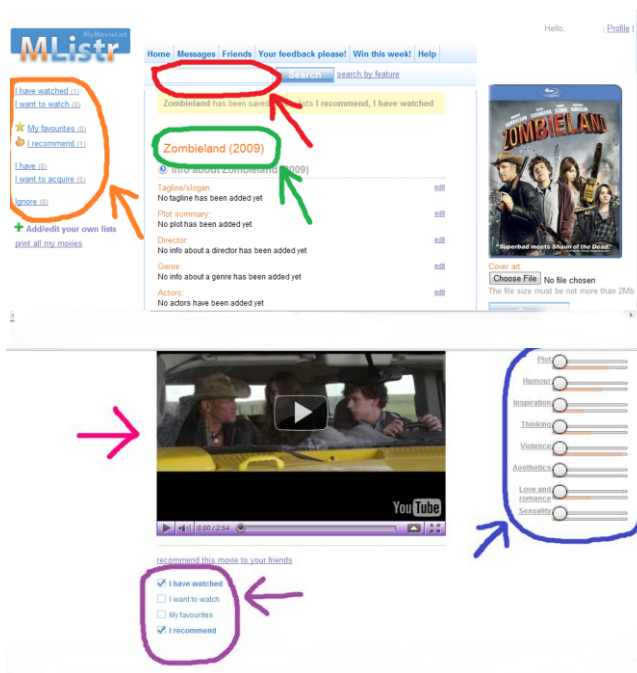

Figure 1

2. Next step, after registering, type the movie into the search bar (red arrow). The movie, if available, will appear (figure 2) with the title and year of release (green arrow). The page also contains a YouTube video of the movies' trailer (pink arrow) and the ratings of other members (blue arrow).

At the bottom of the screen, members have the option to add if they have watch it or recommend it etc. (violet arrow) then will appear in your information on the left (orange arrow)

Figure 2

3. To add friends click on the friends button (green arrow), then choose from the list below (pink arrow). After friends have been added messages can be sent between profiles and check out their recommendations.
